

## *Sunflower Oil - Your Healthy Choice*

*«Growing with love to people»*

# *Sunflower oil from Ukraine*

*Smart Agro Invest is one of the leading exporters of sunflower oil in Ukraine. Buying sunflower seeds from thousands of farmers in different regions of Ukraine, processing them at 3 plants, our company is ready to export sunflower oil.*

*Sunflower is the most widespread oilseed crop, grown in Ukraine. The acreage under sunflower is about 5 million hectares in Ukraine. For most farmers, sunflower is the most profitable crop, including due to the efficient processing industry.*

# *What do we do*

*We specialize in processing of sunflower seeds and production of sunflower oil. The complete cycle of production is made on the modern equipment from sunflower seeds with high oil content*

## *Why are we*

*Our experience and reputation are valuable. We are proud of our partners.*

## *Product description*

*Color value, amount of iodine mg, less than - 2*

---

*Lovibond 5¼ - Yellow 10, Red 0.7 (max)*

---

*Acid value mg KOH/g, less than - 0,10*

---

*Weight part of non oleginous impurities, less than - None*

---

*Peroxide value, ½ O<sub>2</sub> m/molkg, less than - 0.5*

---

*Weight part of moisture and impurities, %, less than - 0.075*

---

*Mass Content Of Phosphoric Matters, % - None*

---

*Soap, % - None*

---

*Specific weight of at 20°C - not more than 0.923 g / cm<sup>3</sup>*

---

*NON GMO .*

*Free from any coloring materials, flavors, and anti-foaming agents.*

***Unrefined sunflower oil pressed winterized***

*Nutritional value per 100 g (3.5 oz): energy – 898 kcal (3757 kJ), fat – 100 g, carbohydrates – 0 g, protein – 0 g*

*Expiration date: 9 months from the production date*

*Natural content of vitamin E, A, F*

***Refined sunflower oil deodorized winterized type ("P")\****

*Nutritional value per 100 g (3.5 oz): energy – 899 kcal (3761 kJ), fat – 100 g, carbohydrates – 0 g, protein – 0 g*

*Expiration date: 12 months from the production date*

*Natural content of vitamin E*

***40 ft\* container standard loading***

***Bottles of 1l - 23475 pcs. (1565 boxes, 15 bottles in the box).***

***Bottles 3L - 7866 pcs. (1311 boxes, 6 bottles in the box).***

***Bottles 5L - 4695 pcs. (1565 boxes, 3 bottles in the box).***

***Canister 20L - 1200 pcs. Without boxes***
